Education

Mangalore Institute of Technology and Engineering <i>Master of Computer Applications (MCA) – CGPA: 8.01</i>	Moodbidri, Karnataka Dec 2024 – Jun 2026
St. Mary's Syrian College <i>Bachelor of Computer Applications (BCA) – CGPA: 8.81</i>	Udupi, Karnataka Jan 2021 – May 2024

Technical Skills

Programming Languages: Java, Python, SQL, JavaScript, C# (.NET)
Frameworks & Libraries: Django, React.js, Express.js, .NET Framework, Bootstrap, Tailwind CSS
Stack: MERN (MongoDB, Express.js, React.js, Node.js)
Databases: MySQL, SQLite, MongoDB
Developer Tools: VS Code, Git, GitHub
Soft Skills: Problem-Solving, Decision Making, Team Building, Communication, Teamwork

Internship Experience

Full Stack Developer Intern <i>Invays Technologies</i>	Remote / On-site 2024 (3 Months)
- Developed responsive user interfaces and backend functionality using React.js, Express.js, and Tailwind CSS. - Contributed to end-to-end development of client-based web applications across multiple projects. - Led a web-based Business Marketing Portfolio project, managing requirements, UI design, and deployment. - Collaborated with team members to deliver production-ready features within tight deadlines.	

Projects

Expense Tracker | *Python, Django, SQLite, JavaScript, Bootstrap, HTML*

- Built a full-stack personal finance web application enabling users to record, manage, and categorize expenses in real-time.
- Implemented full **CRUD** operations for expense records along with filtering by date, category, and amount.
- Designed a relational database schema using **SQLite** to securely store user profiles, transaction histories, and analytics.
- Integrated **data visualization** features (monthly spending charts) using JavaScript-based libraries for actionable financial insights.
- Implemented **user authentication** and session management with Django's built-in user model, ensuring secure login/logout flows.
- Delivered a responsive UI with HTML, Bootstrap, and JavaScript for seamless experience across devices.

Certifications

Python Programming – Infosys Springboard
SQL Case Study – Infosys Springboard
Software Testing Training – Besant Technologies
Foundation of Cloud IoT Edge ML – National Programme on Technology Enhanced Learning (NPTEL)

Achievements & Activities

- Won prizes in **Volleyball** and **Cricket** competitions at both school and college levels.
- Actively participated in various **cultural and social activities** during school and college life.

Additional Information

Languages: English, Kannada, Hindi
Interests: Volleyball, Cricket, Video & Photo Editing, Photography, Gaming
Availability: Immediately available for full-time / internship roles
